Welcome to DSST.®

Q: Did you know you can get academic credit for what you already know?

A: It's true, and it's a lot easier than you think.

With DSST, you can earn college credits —

And everything you need to know is a result of your life experience.

College credits are available in 37 unique subjects. Disciplines include Business, Humanities, Mathematics, Physical Science, and more. From personal accounting to public speaking, from your health to law enforcement or ethics, there's a DSST subject you already know well.

Get the Credit You Deserve

Whether you're looking to start a new career or advance in your current job, a few more academic credits can make a big difference. And because you're on your way to a college degree, the extra credits you earn through DSST will free you up to focus your time and energy on the courses you want to take.

Combine DSST with Other Prior Learning Assessment

DSST is an effective method to provide your college with evidence of prior learning. In fact, the 37 exams available at a competitive fee compliment other credit by exam programs such as CLEP. Prior Learning Assessment will help you accelerate your path to degree completion while saving you the time it takes to sit through a course as well as the additional dollars spent on tuition. Check out your options for degree acceleration through Prior Learning Assessment now at GetCollegeCredit.com. Then, contact your college or university to learn about their credit awarding policy. The exams are likely delivered at your learning institution or one close by.

Accelerate Your Degree

It takes 90 minutes or less to complete a DSST exam. You will also find preparation resources on GetCollegeCredit.com.

A fact sheet with recommended study material is available for free on the website in addition to a list of approved study materials by test preparation companies. Imagine cutting months off your degree completion requirements in practically no time at all or checking off a few elective credits in just one weekend.

Where Do I Go Next?

We suggest you take a look at the 37 subjects offered by DSST. Then, match them to your current knowledge and prior work experience. Talk with your learning institution about academic credit for your passing scores. And most importantly, meet with your academic advisor, who will help you match the exams to your personal academic goals.

Over 1900 institutions award credit for DSST and over 1700 deliver the exams.
